

Charles H. Townes, Ph.D.

## 30<sup>th</sup> ASLMS Annual Conference Special Award Recipient

### Dr. Charles H. Townes

Friday, April 16, 2010

10:50 am – 11:19 am

North Hall C – Phoenix Convention Center

Dr. Charles H. Townes, father of lasers, Nobel Laureate and a professor of physics at the University of California Berkeley, will be honored in person at our 30<sup>th</sup> Annual Conference. Dr. Townes first demonstrated the maser in 1954, and later published the theoretical principles of the laser. On the 50th anniversary of the operation of the laser, ASLMS is proud to honor Dr. Townes.
