Congratulations and Welcome

We are pleased you have selected the American Society for Laser Medicine & Surgery (ASLMS) as your professional development organization.

This new member orientation will help you become familiar with the many ASLMS benefits. You will find the resources, networking, professional development, and involvement opportunities the Society offers invaluable.

Additionally, we encourage you to become an active member by volunteering on committees, serving as faculty, voting, or by submitting an abstract, newsletter article or journal manuscript.
The mission of the ASLMS is to promote excellence in patient care by advancing biomedical application of lasers and other energy-based technologies worldwide.

The vision of the ASLMS is to be the world’s preeminent resource for biomedical laser and other related technologies research, education, and clinical knowledge.
Access Member Services

Visit www.aslms.org and click Log In.
Enter your User Name and Password. By default, your User Name is your email address and your Password was established during your application process.

- If you forgot your log in information, you can go to Sign In Help.

- You can change your password at any time.
Once logged in, click My Profile from the top menu.

In your contact profile, you can:

- Update address(es) and phone number(s)
- Add/edit areas of interest, procedures, and disclosures
- Add a profile photo

The more complete your profile is, the better you can network with your peers through the Member Directory. Add a photo – it attracts attention!
Procedures will be listed on the Physician Locator for Board Certified Physicians and in the Member Directory. If you are a Board Certified Physician, please contact the Central Office for verification at 715.845.9283 or information@aslms.org.

From the right navigation menu, select Update My Procedures.

If you are a Board Certified Physician, please contact the Central Office for verification at 715.845.9283 or information@aslms.org.
Through ASLMS social media channels, member communications and the Society’s journal, *Lasers in Surgery and Medicine*, we keep cutting edge information and opportunities top of mind.
Member Benefits/Resources

The Member Benefits and Member Resources pages are where to go for all things ASLMS!
Member Communications

The ASLMS Central Office communicates regularly with its members via email.

- Watch your inbox for important news and announcements!
- Keep your contact information up-to-date so you don’t miss out!
All members are encouraged to submit an article or topic ideas for our newsletters.
Follow Us!

Keep up-to-date with ASLMS news and connect with colleagues via: Facebook, Twitter, LinkedIn, YouTube and Instagram.

ASLMS also shares important news to consumers via Pinterest.
Facebook Discussion Groups

Exclusively for Members of ASLMS!

EARLY CAREER NETWORK GROUP
Share ideas, issues, solutions, and news. Any ASLMS member is welcome to participate.

CLINICAL DISCUSSION GROUP
Have dedicated discussions on lasers and energy-based devices. The goal to openly discuss cases, procedures, recommendations for devices/settings, and everyday practices.

Search by group name on Facebook and request to join.
The official journal of the Society is published eleven times each year, including a special abstract supplement issue for the ASLMS Annual Conference. The journal contains clinical studies, reviews and research reports about the latest findings and uses of lasers and energy-based devices in all surgical and medical specialties.

Members can access the journal in several ways:

- Online via Wiley Online Library
- By ordering the print journal
- Via mobile app (search “Lasers in Surgery and Medicine” in the App Store or on Google Play)

To order the print journal, contact the Central Office at any time of the year. 715.842.9283 or information@aslms.org.
To access full journal content, sign on through aslms.org

For more information about the journal, go to For Professionals and select Lasers in Surgery and Medicine Journal.
Career Center

Matching Quality Candidates with Opportunities

Job seekers can post resumes, search jobs, and take advantage of career resources to accelerate success! There is no cost to use job seeker resources.

Employers can access a specialized niche of professionals. ASLMS members receive discounts. Post your job and start hiring!

For additional information, visit www.aslms.org | For Professionals | Career Center
Research Grant Program

ASLMS supports research projects designed to foster the development and use of lasers and other related technologies in medical and surgical applications.

ASLMS awards standard grants up to $70,000 and student grants up to $5,000.

Visit www.aslms.org | For Professionals | Research Grants for details and application requirements.
Standards of Practice

ASLMS standards of practice provide valuable guidelines about use and safety of lasers and energy-based devices in medical applications supporting our mission statement of promoting excellence in patient care.

To access the approved standards of practice, visit www.aslms.org | About ASLMS | Standards of Practice.
At ASLMS you can connect and interact with key thought leaders driving the future of lasers and energy-based devices in medicine.

There are many ways to connect with ASLMS!
Connect, Collaborate, and Explore by locating other ASLMS members with similar interests, who perform similar procedures, or who practice in a particular geographic area.

Visit [www.aslms.org](http://www.aslms.org) and Log In with your User Name and Password.

Under Member Services | Member Resources, you will find the Membership Directory.
Use the search functions to find other ASLMS members.

Click on a member’s name to see more details.
*New Beginnings providers offer free radiation mark (tattoo) removal for cancer patients.
Visit [www.aslms.org](http://www.aslms.org) and click on the *find a Clinician/Physician* tab.

The ASLMS Physician Locator is a public facing directory of Board Certified Physicians.
Use the search function to find Board Certified Physicians by location, specialty, and/or keyword.

Click on a more information to see more details.
Click on the address to bring up a map.

Make it easy for prospective patients to find you and see the procedures you offer by regularly editing your procedures in your profile.
Promote Yourself as an ASLMS Member!

Send a news release
Use our template to create a news release announcing your membership in ASLMS.

Use the ASLMS name and logo
All ASLMS members are permitted to reference their ASLMS membership in communications and marketing materials.

Go to www.aslms.org | Member Services | Member Resources | Promote Your ASLMS Membership
The ASLMS Annual Conference, held each spring, is the largest conference on laser and related technologies for medicine held in the United States.

Networking Opportunities
- Meet face to face with colleagues.
- Attend the Welcome Reception and meet key thought leaders.
- Attend the Celebration of ASLMS Women in Energy-Based Devices event.
- Attend the Ask Me Anything sessions.

ASLMS members receive discounts on registration fees. For details, visit www.aslms.org | Annual Conference
ASLMS and Industry

ASLMS has a strong relationship with many of the companies that develop and manufacture laser and related technology equipment for health care applications.

Our industry colleagues work together with scientists and clinicians on new advancements in technology that help ASLMS fulfill its mission of excellence in patient care.
Members are the strongest new member recruitment resource we have. We reward members for recruitment efforts.

For every new ASLMS member referred and accepted:

- $50 reward for each paying member.
- $25 reward for each student member.*
  *Limit of 5 referrals per year.

Rewards may:

- Be donated to research.
- Be used toward Conference or Course registrations.
- Reduce the cost of the hard copy *LSM* journal subscription.
- Reduce your membership dues.

To make referrals, go to [www.aslms.org](http://www.aslms.org) | Member Services | Member-Get-A-Member
ASLMS is dedicated to offering in-person and online educational resources in the field of biomedical laser and energy-based device applications.

Investigate all the benefits of ASLMS membership!
Continuing Education

ASLMS is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians.

- ASLMS offers a variety of CME educational activities and strives to maintain quality programming with ACCME compliance.
- Members receive significant discounts on the Annual Conference and courses!

Visit www.aslms.org | For Professionals | Education Center for additional details.
The ASLMS Annual Conference, held each spring, is the largest conference on laser and related technologies for medicine held in the United States.

Professional Development Opportunities:
- Attend and learn
- Submit an abstract
- Volunteer as faculty
- Connect with colleagues
- Visit industry in the Exhibit Hall
- Gain CME/CE credits

ASLMS members receive discounts on registration fees. For details, visit [www.aslms.org](http://www.aslms.org) | Annual Conference
Submit an Abstract

You could be selected to join the clinicians, scientists, students, residents, fellows-in-training and early career scientists who will present their work at the Annual Conference.

- Approximately 70% of initial submission abstracts are selected for oral and/or ePoster presentations each year.
- Abstracts are published in the internationally renowned ASLMS journal, *Lasers in Surgery and Medicine*.
- Awards are given for best abstracts in specific sessions.

For additional information, visit [www.aslms.org](http://www.aslms.org) | Annual Conference | For Presenters | Abstracts
ASLMS awards a limited number of educational grants to individuals whose abstract has been accepted for oral presentation at the Annual Conference.

Eligible ASLMS members include:
- Undergraduate Students
- Medical Students
- Interns
- Residents
- Fellows
- Graduate or Post-doctoral Students

For eligibility details, visit www.aslms.org | For Professionals | Grants and Awards
Laser Aesthetics Course

Held annually in the fall, the Laser Aesthetics Course provides participants with an understanding of lasers and other light energy-based technology and their use in clinical aesthetic applications.

- CME Credits/CE credits
- Great Location
- Key Thought Leaders
- Small Intimate Setting

ASLMS Members receive discounts on registration fees. For details, visit www.aslms.org | Education Center | Laser Aesthetics Course
Research Grant Program

ASLMS supports research projects designed to foster the development and use of lasers and other related technologies in medical and surgical applications.

ASLMS awards standard grants up to $70,000 and student grants up to $5,000.

Visit www.aslms.org | For Professionals | Research Grants for details and application requirements.
ASLMS Podcasts

ASLMS *Light Talk* podcasts offer short videos featuring members discussing new research studies and applications for energy-based technology, as well as practical topics such as purchasing a laser, attracting new patients, and legal issues.

*Light Talk*: innovative ideas from key thought leaders in our industry through a mobile educational platform.

For additional information visit [www.aslms.org](http://www.aslms.org) | For Professionals | Education Center | Light Talk Podcasts
Awards

Each year at the Annual Conference, prestigious awards are presented to individuals whose achievements have made a significant contribution to the field of lasers and energy-based devices for medicine.

- Caroline and William Mark Memorial Award
- Ellet H. Drake Memorial Award
- Leon Goldman Memorial Award
- Nursing / Allied Health Excellence Award
- ASLMS Leadership, Mentorship & Public Advocacy for Women in Medical Science Award
- Dr. Horace Furumoto Innovations Professional Development Awards

For additional information visit www.aslms.org | For Professionals | Grants and Awards
The ASLMS Preceptorship Program provides a unique opportunity for ASLMS early career members to learn new techniques and perspectives in lasers and other energy-based technologies, observe a successful practice in action and develop valuable career networks.

Applying for a Preceptorship is easy!

If you would like to inspire the next generation of laser and energy-based device users, please consider serving as a Preceptor.

Visit www.aslms.org | For Professionals | Preceptorships for details.
If you are a resident and would like to get connected with ASLMS luminaries, consider becoming a Resident Liaison!

Become familiar with ASLMS leadership and benefits by promoting membership within your residency program.

It is simple, rewarding and a great addition to your curriculum vitae!

For additional information, contact the Central Office at 715.842.9283 or information@aslms.org.
The Visiting Expert Program matches laser and energy-based device experts with educational institutions to provide lectures on cutting-edge research, device innovations, best practices, complications and safety.

For the Expert: an opportunity to enhance your curriculum vitae and further build respect and recognition as a renowned, go-to leader on lasers and energy-based devices.

For the Institution: a no cost option to add a laser and energy-based device teaching segment to curriculum.

For additional information, visit www.aslms.org | For Professionals | Visiting Experts
ASLMS is a volunteer society focused on our mission of promoting patient care by advancing biomedical applications of lasers and other energy-based devices worldwide. There are many ways to get involved.

YOU make ALL the difference!
Serve on a Committee

ASLMS Committees are comprised of members who are nominated to serve in a variety of specialized areas.

- Annual Conference Program
- Audit
- Awards
- CME Advisory
- Constitution and Bylaws
- Digital Communications
- Early Career
- Early Career Mentorship Program
- Education, Standards and Innovations
- Ethics and Conflict of Interest
- Finance
- Fundraising
- Human Resources
- International Affairs
- Investment
- Marketing and Public Relations
- Membership
- Nominating
- Public Policy
- Research and Development
- Safety Awareness
- Silent Auction
- Women in Energy-Based Devices

For additional information on Committee participation, visit www.aslms.org | About ASLMS | Governance | Committees. ASLMS Central Office: Phone-715.845.9283, Email: information@aslms.org
Serve on the Board of Directors

The Board of Directors is elected by our membership to represent them in a leadership capacity, establishing the foundation of ASLMS' benefits, educational programming and policies.

Board Members Represent:
- Basic Science
- Biomedical Engineering
- Industrial/Marketing
- Industrial/R&D
- Laser Medicine
- Laser Safety
- Laser Surgery
- Nursing/Allied Health

For additional information on fellowship, visit [www.aslms.org](http://www.aslms.org) | About ASLMS | Governance | Board of Directors
Become an ASLMS Fellow

Fellowship status is granted to members who qualify by their longevity and/or activities and who remain members in good standing.

Fellowship:
- Allows members to hold office.
- Recognizes longevity, dedication and commitment to ASLMS.

For additional information on fellowship, visit www.aslms.org | Member Services | Member Resources | Become an ASLMS Fellow
The New Beginnings Radiation Mark Removal Program is a national campaign which provides a unique opportunity for ASLMS members to rally around a good cause; pro bono laser treatment for cancer patients with radiation tattoo marks.

Participating members will be listed on the ASLMS website and publicized across various mediums including social media, news releases sent to ASLMS media contacts, and Society newsletters.

For details on participation, visit www.aslms.org | For the Public | New Beginnings Radiation Mark Removal Program
Submit a Manuscript to LSM

LSM publishes clinical and basic science reports of the most recent scientific developments in biomedical laser and energy-based device applications, device/tissue interaction, and new laser and energy-based techniques.

- To submit a manuscript, visit www.aslms.org | for Professionals | Lasers in Surgery and Medicine and click on “Submit a Manuscript” on the right side of the page.

- You will be directed to the Wiley site where you will click on “Submit an Article” and register as a new user.

For questions regarding manuscript submissions, contact: Beth Mallen, Managing Editor Lasers in Surgery and Medicine, Phone: 615.330.1418, email: lsm@manuscriptmgt.com
Annual Conference

The ASLMS Annual Conference, held each spring, is the largest conference on laser and related technologies for medicine held in the United States.

Involvement Opportunities:
- Attend and learn
- Submit an abstract
- Volunteer as faculty
- Connect with colleagues
- Visit industry in the Exhibit Hall

ASLMS members receive discounts on registration fees. For details, visit [www.aslms.org](http://www.aslms.org) | Annual Conference
Every ASLMS member can invest in ongoing research by contributing to the ASLMS Research Program. Your donation makes a difference!

- Since 2007, ASLMS has awarded over $1.8 million to select applicants who submitted innovative grant proposals.
- A donation to the ASLMS Research Fund is tax deductible.

It’s easy to donate! You can submit a donation by visiting www.aslms.org | Member Services | Membership Renewal | Contribute to Research.
Leon Goldman Circle - A Commitment to Research

Consider contributing $20,000 over 5 years. You will support an invaluable cause and your generous contribution will be greatly appreciated and recognized by the Society in several ways:

- A plaque commemorating your support.
- Recognition in perpetuity on the ASLMS website and quarterly in newsletters distributed to all ASLMS members.
- Recognition in perpetuity in the Annual Conference Guide, which is distributed to all conference attendees.
- A pin and ribbon to wear during the Annual Conference. Corporate members will receive multiple pins and ribbons for company representatives.
- An invitation to participate in the Board Dinner held at the Annual Conference.

For additional information visit www.aslms.org | for Professionals | Grants and Awards | Leon Goldman Advancement of Laser Medicine Endowment Fund
Membership is about making connections.

Remember, this is your Society. Become an active member!

If you would like more information, or are interested in volunteer opportunities, please contact the Central Office.
